Attention: Office of Legislative Counsel

Dear Admiral Turner:

We are undertaking a review of the Sources and Adequacy of Governmental Data on Foreign Mineral Resources and Reserves and related economic intelligence. The review began in September, 1978. It has come to our attention that analysts at the Central Intelligence Agency are currently involved in this field and we would very much appreciate the opportunity to interview them.

The Energy and Minerals Division has primary responsibility for this assignment. Mr. Mike Lambert can be contacted on 634-1913 for any further information on this assignment.

Thank you very much for your cooperation.

Sincerely yours,
